

PROFILE

The Flagg-Rochelle Community Park District was formed as it's known today in 1966. As a township park district, a separate government from Flagg Township itself, the Flagg-Rochelle Community Park District serves the people living within Flagg Township, which includes most of residents of the City of Rochelle, all of the people who reside in Flagg Center, as well as rural residents in Flagg Township outside of the municipalities.

Currently the Flagg-Rochelle Community Park District serves a population of 13,276, contains 17 parks within 497 acres of land, 3 indoor facilities including the 91,000 ft² REC Center, a seasonal, outdoor pool and splashpad with 7 full-time employees, 3 permanent part-time, and over 50 seasonal employees operating within a \$3 million budget.
